## Peach Carry-over Danger Removed By Sales Drive

California's peach growers today saw entirely removed the danger of a huge carry-over of canned peaches which a few months ago threatened disaster to their industry and to affiliated agricultural interests.

Announcement by the Canners League of California that the seasonal carry-over of canned peaches had been reduced on June 1 to 1,343,387 unsold cases, as a result of sales in excess of a five-year average, was hailed as signal proof of the success of the nation-wide California Canned Peach Events featured by 34,000 chain stores from coast to coast.

Credit for the improved situation was given to the canned peach sales campaign of the chain stores and to similar merchandising efforts by the California Canning Peach Stabilization Committee, formed last March to avert a crisis in the industry.

The original charter of Georgia, adopted in 1733, has been redrafted with important changes nine times.

## Motorola Radios Feature of New Santa Fe Train

With the modern trend of railroads to greater comfort in their speedier, streamlined trains, it is little wonder that the newest and most modern of them all should be equipped with the most modern of radios.

The new "Super Chief," swift east-west train of the Santa Fe lines, entertains its passengers in the luxurious club car with a Motorola, most luxurious of car radios, converted to railroad service, according to V. A. Jones, resident manager of the Western Auto Supply Company, local Motorola distributor.

## Chain Units Plan To Uphold Wages Despite Ruling

Assurance that thousands of women employed by California chain store companies will not suffer any wage reductions, despite the United States Supreme Court's decision holding the New York minimum wage law unconstitutional, was contained today in a statement issued by the California Chain Stores Association.

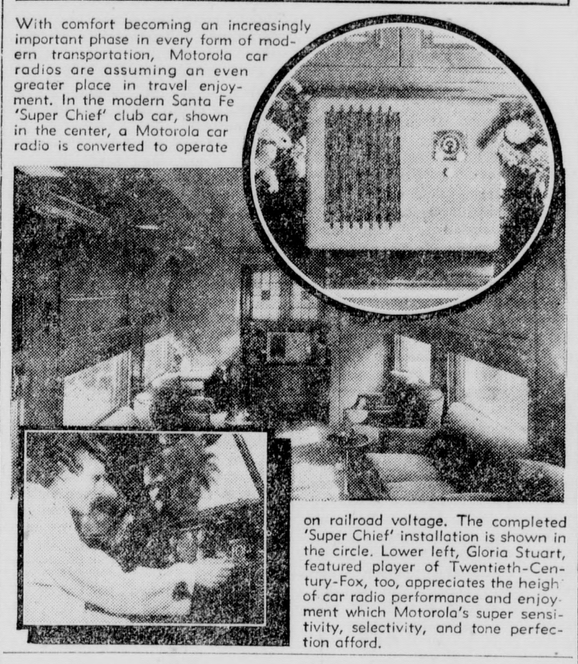
After taking a poll of its members the association announced that they had unanimously declared against any breakdown of minimum wages.

"The chain stores of California," the statement read, "hope and trust that all California employers will stand together in maintaining the existing minimum wage for women, even if the courts should withdraw any compulsion for such standards."

Dick Powell has sung an average of five songs a day for the last 10 years. Yes, he sings even in the bath tub.

## New Motorola in Modern Train

With comfort becoming an increasingly important phase in every form of modern transportation, Motorola car radios are assuming an even greater place in travel enjoyment. In the modern Santa Fe 'Super Chief' club car, shown in the center, a Motorola car radio is converted to operate



on railroad voltage. The completed 'Super Chief' installation is shown in the circle. Lower left, Gloria Stuart, featured player of Twentieth-Century-Fox, too, appreciates the height of car radio performance and enjoyment which Motorola's super sensitivity, selectivity, and tone perfection afford.

## San Matean Passes In County Jail Cell

Death intervened in a court hearing on Wednesday and ended what was to have been a commitment action.

When deputy sheriffs at the county jail went at 9:45 a.m. to the cell of Frank Morris, 48, who had been brought in the night before on an intemperance complaint, they found that Morris had died during the night, apparently of a heart attack. He was to have been committed to a hospital after a court hearing.

Morris worked for the Sheehan Dairy in San Mateo.

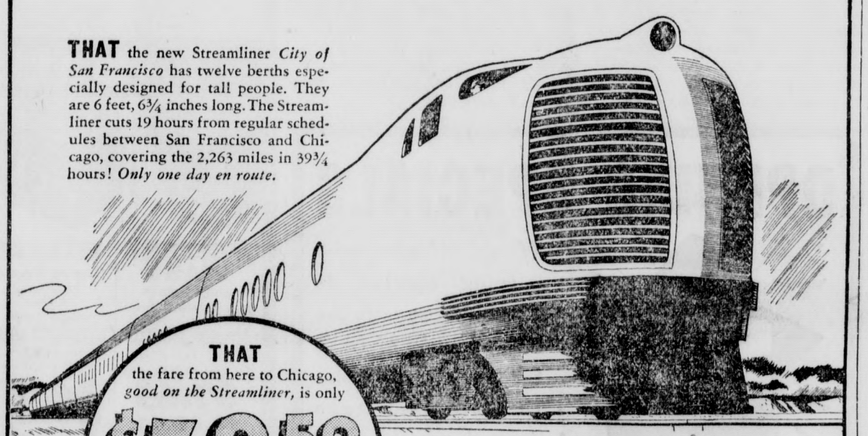
DID YOU KNOW...

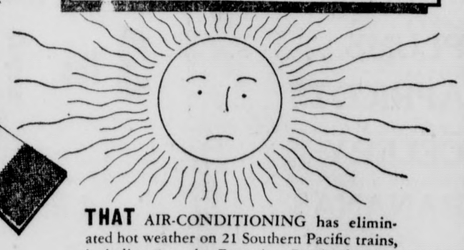


THAT the new Streamliner *City of San Francisco* has twelve berths especially designed for tall people. They are 6 feet, 6¾ inches long. The Streamliner cuts 19 hours from regular schedules between San Francisco and Chicago, covering the 2,263 miles in 39¾ hours! *Only one day en route.*

THAT the fare from here to Chicago, *good on the Streamliner*, is only $39.50 in an air-conditioned chair car with seats as soft as sponge rubber. This rate includes the $5 extra fare.

THAT not one passenger was killed last year on any railroad in the United States. You are actually much safer on a train than in your own home! Statistics prove it.

THAT today you get far more comfort on our trains than ever before, though fares average 2¢ a mile—the lowest in history.



THAT AIR-CONDITIONING has eliminated hot weather on 21 Southern Pacific trains, including 7 to the East, 4 to Portland, 5 between San Francisco and Los Angeles.

The boisterously funny play, delights the hearts of horse racing fans with its smart dialogue, swift action and spontaeous laughs and also provides hilarious entertainment for all those who know nothing about the race track or "bookies."

Henry Duffy is bringing members of this outstanding company from different parts of the country where they have been creating no end of success with such players as Matt Briggs, Chester Clute, Frank Milan, Bernedene Hayes, Lurene Tuttle, Jean Reno, Eddie Waller, John Alexander, William Jeffery, Phoebe Clark, Edward Colebrook and several others.

Mora was taken to the Palo Alto Hospital in an ambulance summoned by highway patrolmen.

## 'Punch-O-Bag' Balloons Given Away With Salt

The new Buck Rogers Punch-O-Bag balloon is here! Hurry to the grocery store—any grocery store—and you can get one absolutely free for one week. All you have to do is to buy two packages of Morton's Salt, either plain or iodized, and the Punch-O-Bag will be given you.

Honestly, you can have more fun with the Punch-O-Bag! When you blow it up you'll see a swell picture of Buck Rogers drawn right on the balloon. And when you start punching it, the fun begins. You'll get a bang out of the hotcha sound effect and at the same time develop a few arm and shoulder muscles "punching the Punch-O."

Be sure to ask for Morton's Salt, in the Blue Package. Morton's Salt, you know, is made in California in the finest, cleanest salt plant in the world, and we know that fact will interest every boy and girl as well as their parents.

Remember, too, that Morton's Iodized Salt is a sure and safe method to prevent simple goiter, so it should be used in all food.

## Bank America Loan Policy Is Outlined

Perry A. Bygdnes, assistant manager of the Redwood City branch of Bank of America, returned today from San Francisco where he conferred with L. M. Giannini, president, and other executives, on the loan policy of the bank.

"Bank of America is making a concerted effort to fulfill the credit needs of the state," he said. "Our executives are aware of the loan needs of every community, and it is our purpose to meet those needs with sound credit expansion.

"President Giannini explained very clearly that it is the desire of the management to take care of the legitimate credit needs of individuals as well as business organizations.

"Our bank leads all banks of the nation in modernization loans under the FHA, and our home loans under the FHA program parallel this record.

"It is our plan to continue aggressively in the fields of lending money for buying and building homes, in the personal loan field, in financing the purchase of automobiles, in lending on warehouse receipts, and performing all credit functions for the benefit of the territory we serve.

"We feel that a sound credit policy, designed to aid in the advancement of this community and its residents, is the most effective public service that our bank can render. Ample funds are available with Bank of America, and it is our purpose to put them to work for constructive purposes."

## MENLO PARK NEWS

The California Water Service Company that took possession of the Bear Gulch water concern on June 15 has inspected the property. It is said the new buyers will enlarge the plant shortly. There has been no change in the personnel of the local office. The Bear Gulch Water Company was organized by the late Senator C. N. Felton in the seventies and later, through controlling interest, was bought by the late J. C. Flood. After his death it was given to the University of California, which institution enlarged the plant, added more property and improved the service. The new purchasers serve 30 communities of the state.

Alexander Beltramo is touring the state with his family. He will be gone for 10 days.

John J. Barrett, the well-known San Francisco attorney, has taken a home in Menlo Park for the summer and moved his family here. Barrett was associated with Garrett McEnerney, the attorney, in the noted Flood will contest trial at Redwood City a few years ago.

Miss Dorothy Taylor, the pretty and charming daughter of Mr. and Mrs. Arthur Taylor, Fifteenth avenue, North Fair Oaks, and Mr. Lewis Fisher of Palo Alto have applied for a marriage license in San Francisco. The couple will be married sometime this month. The bride is a Sequoia graduate and is a talented young woman. Fisher is a Stanford man. His father and mother and sister were graduated from Stanford University as were other relatives. The elder Fisher is a prominent lawyer in Oregon. His wife before her marriage practiced medicine in Portland. After the honeymoon the young couple will reside in Palo Alto.

Miss Cecelia and Miss Grace Carelton left Saturday for New York to spend two weeks. The former is chief clerk for Spring Valley Water Company at the Millbrae office. Miss Grace Carelton is a teacher in the South San Francisco school department.

Mr. W. H. Weeden, his daughter, Mrs. Isabelle Weeden Lindquist, and her children, Billy and Emma Roberta Lindquist, attended the pageant at San Juan Sunday. They visited with their friends, Judge Pearce and family, and met many San Juan friends.

Mrs. Isabelle Weeden Lindquist returned from Stockton, where she attended the N. D. G. W. Grand Parlor as a delegate from Menlo Parlor No. 211.

The N. S. G. W. are giving a benefit whist party in Central School auditorium Thursday, July 2, at 8:15 p.m. Score cards will be 25 cents.

Charles Call, local veteran and prominent member of Menlo Parlor, N. S. G. W., is confined in the government hospital at Fort Miley, where he is undergoing treatment for a serious complaint.

Mrs. C. Dowdin, who recently passed away at Sacramento, was a sister of Mr. Peter E. Bush of this community. The deceased was well-known and liked at the capital, where she resided for many years.

In the presence of relatives and friends, who filled the Church of the Nativity, Miss Edna Walker of Stanford Park and Jack Morey were united in marriage at a nuptial mass, celebrated by the Rev. Father McKeon at 11 o'clock last Saturday.

The church was neatly decorated with sweet peas, lilies and roses. The pretty bride was given away by her father. There is no doubt the wedding was the prettiest ever taking place in the history of the church. The gorgeous dresses worn by the bride and her attendants attracted attention of the vast assemblage.

A reception took place at the home of the bride's parents in Stanford Park. It continued from 2 o'clock until late in the afternoon, when Mr. and Mrs. Morey departed for a wedding motor trip to San Diego. After their return they will reside here.

The engagement is announced of Miss Louise Clarke and Fred Baudermann. No date has been set for the wedding. The bride-to-be resides on the Alameda with her family and for several years has taught in the Ravenswood school. Mr. Baudermann conducted a stationery store here for a number of years but sold out recently to open a similar store at Burlingame.

Mrs. Adalaide Blanchard, the oldest Native Daughter in California, passed away here on Tuesday following a stroke. Mrs. Blanchard was born in Half Moon Bay nearly 90 years ago and as a girl attended the Old Mission Dolores school while the mission padres were still there. The mission's holdings extended to Half Moon Bay. The deceased had lived in Menlo Park for 50 years. Her husband, the late B. Blanchard, opened the first butcher shop in Menlo Park and delivered meat from his place of business to Mountain View, Mayfield and other far off places.

Mrs. Blanchard was a charter member of Menlo Parlor, Native Daughters of the Golden West, and up until her death took an active interest in the order. Her son, Philip Blanchard, is a war veteran and was at one time commander of the local post. Mrs. Blanchard belonged to the American Legion Auxiliary here and the organization held services over the remains at the Tinney Funeral Parlors, Palo Alto, Wednesday evening. The funeral took place yesterday.

In the presence of relatives and friends who filled the Trinity Episcopal Church at Menlo Park, Miss Emilia Montrouil of Palo Alto and Walter S. Arends of Menlo Park, were united in marriage at 8 o'clock Saturday night. The Rev. Ralph Smith, rector of the church, read the Episcopalian ring service.

The church was decorated in sweet peas, lilies, gladioli and greenery. Mrs. Margarette R. Huff, a school friend of the bridegroom's father, presided at the organ, and Miss Alberta Arends, sister of the bridegroom, played "I Love You Truly" (Carrie Jacobs Bond) as a violin solo. Mrs. Huff was organist for King Edward VIII in 1919 when, as Prince of Wales, he visited Lethbridge, Alberta. Preceding Miss Arends' solo she played "Melodies of Love" (Engelmann). Mendelssohn's wedding march was used as a processional, "Love Dreams" (Liszt) and "Oh Promise Me" were played during the ceremony and exchange of vows, and "Happy Days," composed by Mrs. Huff for the occasion, was the recessional.

The bride was given in marriage by her father, P. W. Montrouil. Her gown was ashes of roses crepe. She wore orange blossoms in her hair and carried a bouquet of sweet peas combined with gardenias.

Mrs. Minor Rasmussen, sister of the bride, was matron of honor. She wore an orchid lace ensemble and carried sweet peas. Mrs. Montrouil, the bride's mother, and Mrs. A. A. Arends of Menlo Park, mother of the bridegroom, were in print ensembles.

John Shea of Menlo Park was best man. The ushers were George Montrouil, brother of the bride, and Melville Huff, son of the organist.

After the ceremony, a reception was held and refreshments served at the Montrouil home in Palo Alto. A two weeks' honeymoon will be spent at Lake Tahoe before Mr. and Mrs. Arends establish their home in Menlo Park.

The bridegroom is associated with his father, A. A. Arends of Menlo Park, in the West Bay Lumber Company.

## Many Enter Ward's Bike Parade Here

"Here, Jack, hold this nail while I sock it with a hammer."

"Really, Mary, do you think this Spanish costume looks alright?"

This type of conversation was heard everywhere as the inquiring reporter bustled about this city in search of new developments for the big bike parade to be staged by Montgomery Ward here tomorrow.

Investigation disclosed much evidence of activity in garages, work shops, basements, attics and sewing rooms. It looks like a big day and a big parade. And it seems as though the only restriction will be the limit of originality in American youth (and age, too, for that matter).

"Its still not too late to register for the parade and begin decorating a bike, said Thomas T. Joaquin, Ward store manager, in discussing the event, which is part of a nation-wide parade to be held in more than 500 towns and cities with more than 50,000 persons participating. He urged everyone to register at the Ward store before the deadline at 10 a.m. Saturday. There is no entry fee or obligation.

Prizes of $5, $3 and $2 in trade for any sporting goods at Ward's will be awarded by the store for the three best decorated bikes. Judges will be announced before the day of the event.

The store manager also announced that Ward's is conducting a special sale of bikes, although he added that any make of bike may be entered in the parade.

## Water Pipe Breaks Damage Highway

Damage was done to the El Camino Real surface at the Cedar and Spruce street intersections on Monday when water pipes burst, City Engineer C. L. Dimmit disclosed.

Pressure put on old water mains of the Spring Valley Water Company caused the explosions, Dimmitt said. The breaks caused the highway to rise in two places but the damage to the surface did not interfere with traffic.

The mains were formerly used to carry water from across the bay to the Spring Valley reservoir. They do not serve Redwood City. The pipes had been out of use, so it was thought the San Francisco water department had been testing them when the pressure was applied.

Eleven Brazilian states are actively engaged in production of natural silk.

Better Light for Better Sight

Good Lighting IS GOOD POLICY!

IT IS good policy to check up on your lighting at least once a month. Replace lamp bulbs that have grown dim. Fill up the empty sockets and replace the small sized bulbs in floor and table lamps before headaches and eyestrain develop.

It is good policy, too, to see that the light on your porch or basement stairs is really good light. Most dangerous falls on stairs are caused by a misstep due to shadows and poor light. In the kitchen many cuts and burns might be avoided if just a little better light was by the kitchen sink or stove.

Good floor and table lamps today are inexpensively priced. Prices of lamp bulbs in sight-saving sizes are lower than ever and the reduced electric rates make better lighting a truly low cost monthly item. Check over the lighting in your home today.

## Elderly Belmont Man Struck by Machine

BELMONT, June 23.—Struck by the car of Mrs. P. Howard, Hillman avenue, Belle Monti, A. P. McDonald, elderly plumber employed at the Alexander Sanitarium, was in the sanitarium today suffering from cuts and bruises on his head and legs for which he is being treated by Dr. Robert Monteith.

## Belmont Man Hurt As Team Runs Away

BELMONT, June 23.—Frank Tosti, 40, Belmont, was in Community Hospital today suffering from four fractured vertebrae incurred when he was dragged yesterday by a team of horses.

Although full details of the accident were not available, it was learned that Tosti, whose address is Postoffice Box 171, fell from a water wagon while at work in a grain field. The wagon struck a rock, and the horses, frightened, stampeded.

## Athletic Carnival Set By Legionnaires

With tumbling and boxing on the program, the American Legion has scheduled an outdoor athletic carnival Friday evening at 7 o'clock at Mezes Plaza.

Olympic Club tumblers and gymnasts will perform on the card, while Al Andersen is in charge of lining-up boxing bouts for the carnival. Bill Lane is one Redwood City boxer who will appear on the card. Admission will be 50 cents.

## Honey Maid Recipes

Crisp, honey-flavored Honey Maid Graham Crackers are not only lunch-time favorites all through vacation days, but they have been "discovered" as an ideal "base" for no end of frozen and gelatin desserts. One of the season's prime favorites is this one for

**APPLESAUCE ICEBOX CAKE**

2 cups applesauce
4 tablespoons sugar
½ teaspoon grated lemon rind
¼ teaspoon salt
¾ teaspoon vanilla
1 cup chilled evaporated milk
2 tablespoons lemon juice
18 Honey Maid Graham crackers (¾ cup crumbs)

Mix together the applesauce, well drained, the sugar, grated lemon rind, salt and vanilla. Whip the evaporated milk until light and fluffy, then add the lemon juice and continue whipping until very stiff. Fold in applesauce mixture and arrange in loaf pan or mold, or in individual sherbets, in alternate layers with Honey Maid Graham crumbs. Chill 4 hours or overnight.

Here is a delicious layer cake recipe in which Honey Maid Graham crackers are substituted for flour, and which achieves a most delightful flavor effect:

**HONEY MAID GRAHAM LAYER CAKE**

1 cup sugar
½ cup butter or shortening
3 egg yolks
½ cup milk
¼ teaspoon salt
32 Sugar Honey Maid Graham crackers
1½ teaspoons baking powder
1 teaspoon vanilla
3 egg whites

Cream the sugar and butter together. Add egg yolks, milk and salt and beat well. Crumble crackers very fine and mix with baking powder and add to sugar-butter mixture. Add vanilla and fold in stiffly beaten egg whites. Turn into two greased layer cake tins and bake in a moderate oven (350 degrees F.) 20 to 25 minutes. Fill and top with whipped, sweetened and vanilla flavored cream and sprinkle with coarsely crumbled Honey Maid Graham crackers. Makes a nine inch cake.

## To Correct A Misunderstanding

The closing out of the firm known as E. W. MAGRUDER is NOT being liquidated to cover debts. The firm has been purchased from Mr. Magruder by Mr. P. Bacharach who is selling out the business. Mr. Magruder has voluntarily sold his building supply business only because of illness. This sale is being held by the new owner and is in no way connected with Mr. Magruder.
